WEEK 1: ONBOARDING WEEK

Week 1 (that begins the start date of your contract) is considered your Onboarding Week. This week is when you get onboarded into the coaching program and set up to start. Here is what you will do this week:

- Book your initial call with the Team TSN Dietitian you are paired with
- Attend this call receive your personalized weight loss game plan
- Watch the onboarding videos so you can understand how the program works

VOXER COACHING DETAILS

Your enrollment in Fit Babe Body includes Voxer coaching with Lauren. Voxer is a Walkie Talkie app that you can download on your phone. You can download it [here](#). After your onboarding call, our customer care manager will reach out to you to let you know when your Voxer coaching will be. We like you to spend 2-3 weeks in the program before starting coaching with Lauren. After we have your Voxer handle, we will add you to the schedule and Lauren will reach out to you the weekend before you start.

WEEK 6: MID WAY PROGRESS CHECK IN

Around week 6-7, we will want you to book your mid-way check in call. We recommend booking this on a week where you do not have Voxer coaching. We will include a link to book this call along with your welcome email about Voxer coaching.

WEEK 12: NEXT STEPS

This week you will be sent information on next steps ahead of the end of your 90 days (14 weeks) with us including your options for continuation and next steps.
